Corporate Art Rental

To Whom It May Concern

We have been working with Corporate Art Rental (CAR) for 8 years. During this time we have changed over the artwork in our corporate offices a few times and CAR made the whole process very easy for us.

We viewed images on the iPad and the consultant measured and took pictures of the space and then made various recommendations to suit our corporate style. They also ensured that the transition of new artwork and hanging went smoothly and the chosen work looked great in our space.

IRESS has a close working relationship with CAR, so that if we need assistance we know they are just a phone call away. We recommend their services to other corporations without hesitation.

Yours sincerely
