To whom it may concern,

Back in 2004, we wanted to improve the look of our foyer to make the entrance to the building more professional and welcoming.

We decided that we would also like to support local artists by exhibiting Australian artworks.

We contacted Dagmar at Corporate Art Rentals to help us select works that would complement our brand and create the professional image we wanted to convey to our members.

The process was made simple and enjoyable by Corporate Art Rentals professionalism and their diverse range of local works.

To revitalize the look of our foyer, we ask Corporate Art Services to recommend new works every two years and we must be happy as we are still one of their clients in 2016!

If you require additional information, please contact me.

Yours faithfully
